Superintendent of Schools

Amy Laverty
Building Principal

Brian Walker
PK-8 Assistant Principal

April 2021

Dear Port Jefferson Families,

It is with great pride and excitement that I write this letter of introduction to you as the newly appointed Assistant Principal of the Port Jefferson School District. I am honored to be in this position, and I am looking forward to assisting Mrs. Laverty and Dr. Neidig in continuing to develop students who are independent, life-long learners, in a challenging and nurturing environment.

I have spent much of my professional career working with elementary and middle school students. I was a classroom teacher with the Middle Country School District for over a decade, principal for three summers of the Extended Year Program, and the past two years, I was an Assistant Principal for Selden Middle School.

My decision to become an administrator came from a strong desire to make a positive impact on an entire school community. As the Assistant Principal, I will work diligently with our faculty and staff to carry out the mission of the Port Jefferson School District. I believe that as a school, we play a fundamental role in positioning students for future success. I am committed to working closely with teachers, parents, and community members to ensure our children achieve their full potential and are prepared for the next phase of their educational career.

Myself, wife, and two sons, are very passionate about Port Jefferson. We spend many summer days going to the park, grabbing a bite to eat, and enjoying some delicious ice cream. This is a village that is special to us, so I take the responsibility of enriching its youth, with great pride. I am looking forward to continuing those great memories in my new role.

I am looking forward to meeting each and every one of you in person. If you have any questions or concerns, please contact me via email or phone. Have a wonderful rest of the school year!

Thank you,

Brian Walker
