

Welcome Back to School, Ms. Castaldo's 3rd Graders!

Dear Students,

August 2021

I am so happy to have you in my class this year! I hope you are having a fantastic summer. I've had a very exciting one. I traveled to New Hampshire, Fire Island and Florida for 6 days at Disney! I have spent each day with my incredible six-year-old twins, Eamonn (Ay-men) and JennyRose. They were the very best part! We also spent some of our time in our friends' pools and at the beach. This week, we will take one more trip north to one of my favorite places, Sebago Lake in Maine. Boy, it's hard to see summer come to an end so we will be sure to make the most of it! I'm really looking forward to hearing about your adventures, as well.

As you prepare to come back to Scraggy, begin to think about at least one event or item that you would enjoy sharing with your classmates the first week of school. It can be a photograph, an object, a souvenir, or an illustration or creation of your own. Also, be prepared to discuss a favorite book; one you've read this summer. Remember to bring your summer reading log to school, as well.

Throughout the year, there will be many opportunities to document our class experiences through photographs, videotaping, and audiotaping. Please have your parent or guardian sign below, which allows you to take part in those events, and return this letter (or just the bottom portion) on the first day of school.

I cannot wait to meet you and get to know you better! I LOVE teaching 3rd Grade and we are going to have a super year together. Enjoy the remaining weeks of vacation with your family and friends!

Hugs,

Ms. Castaldo
