# Welcome to 5<sup>th</sup> Grade

Dear 5th Graders,

Welcome to fifth grade! It is hard to believe it is already August and we will be back in school in just a few weeks. We are looking forward to meeting each of you and sharing a fantastic fifth grade experience together. We are so excited to be able to team teach again this year. We know you will really enjoy fifth grade. It is a special year and it will leave you with many wonderful memories to take with you to Middle School.

During the first week of school, we will be discussing our favorite summer reads. Please bring in your summer reading log so you can discuss and recommend books to friends. Also, please bring in one **fiction** chapter book that you are currently, or would like to begin, reading. This will be your independent book for the first week(s) of school. Please brush up on your multiplication facts. Knowing these facts will help contribute to your success in 5<sup>th</sup> grade math.

Attached you will find a list of supplies that you will need this year. If purchasing any of these items is a problem, **please** let us know during the first week of school.

You may bring a snack to school. It should be a healthy snack (fruit, pretzels, carrots, crackers, etc.). Please make sure your snack is **NUT FREE**. No candy please. You may also bring a water bottle. Please bring **only water** for drinking in the classroom.

When you have a minute, please visit and bookmark our class website. This site will be a helpful tool to you throughout the school year.

We look forward to an exciting school year. Your thoughts, attitudes, and talents will make our classroom a wonderful place to learn. Enjoy the remainder of your summer. See you on September 2nd!

Sincerely,
