

August 2021

Dear Second Grader,

Welcome to Second Grade! I am very happy to have you in my class this year. I hope you are as excited as I am for school to start!

During our year together, you will be reading, writing stories and poems, working as a mathematician, learning about different communities, and making wonderful, hands-on discoveries through our science experiments. Technology will be a big part of our day too!

Please talk to me if you have something to share, if you don't understand something, or if you are ever upset. I think you will find I am a good listener.

We will enjoy a mid-morning snack each day. Please pack a nutritional snack and drink in addition to your lunch. Feel free to bring in a reusable water bottle which can be refilled at lunch time.

On the first day of school, we will enjoy a scavenger hunt while putting away our supplies so please bring in what you can. The larger items such as the Ziploc bags, portfolio binder and tissues can be brought in during the second week of school. Also, please bring a beach towel that may remain in the classroom to sit on when we are working in the hallway or outside.

Please contact me by email if you have any questions or concerns at [mzajac@portjeffschools.org](mailto:mzajac@portjeffschools.org).

I am looking forward to meeting you on the first day of school on Thursday, September 2nd!

Your Second Grade Teacher,  
Mrs. Zajac :)
