May 22, 2020

Dear Scraggy Families,

As we plan for the closure of the school year, we have worked collaboratively to reimagine some of our school traditions. We are very excited to share the following events with you:

- Scraggy Hill's virtual Walk/Run will be held during the week of June 1. Students can begin preparing through their physical education Google classrooms, where Mr. Bajus, Mr. Rowett and Ms. Schachner are encouraging students to walk or run and track their mileage on their Walk/Run cards for the remainder of this month. Families are encouraged to take photos of themselves walking or running together and post them to our social media sites, tagging "pj schools". Get out together and enjoy some of this beautiful weather!
- Virtual Field Day will take place the week of June 8. Our physical education teachers will be posting various fun and challenging activities to try at home. Be sure to check your child's physical education Google Classroom for the Field Day fun! Share videos of your family participating with the hashtag #PJFIELD DAY2020.

While these plans are surely a departure from our past practices, we are proud of our students for taking every opportunity to utilize technology both inside and outside of the classroom. This is yet another fine example of how Port Jefferson students are in the forefront of helping to lead today's students into the worldwide classrooms of tomorrow.

Have a wonderful long weekend and stay well.

Sincerely,

Thomas Meehan
Principal

Amy Laverty
Assistant Principal
