

SUMMER PROGRAMS

***Revised 03/26/2019**

ACADEMIC STUDY ASSOCIATES: Our College Admissions Prep programs prepare students for the competitive and demanding college admissions process. Cultural Immersion Programs in Spain, France and Italy are also available, please visit www.summerfuel.com for more information.

ACADEMIC SUMMERS: Please visit www.academicsummers.com for multiple locations, all girls' camps to co-ed, academic to creative arts, and even specialty programs for ADD/ADHD.

ADELPHI UNIVERSITY: Programs are offered for talented high school juniors and seniors who may enroll in pre-college programs for college credits or they may choose a 5 week summer college. Please visit www.precollege.adelphi.edu for more information.

ALFRED UNIVERSITY: Summer courses are offered in the following subjects: Art Portfolio, Astronomy, Chemistry, Computer Engineering, Creative Writing, Ceramic and Glass Engineering, Theatre, Renewable Energy, Robotics, Swimming and Equestrian. For further information visit the website at www.alfred.edu/summer or email: summerpro@alfred.edu

AMDA COLLEGE AND CONSERVATORY OF THE PERFORMING ARTS: The AMDA offers two and four week sessions to give students the opportunity to study, train, rehearse, perform and live on AMDA's New York City and Los Angeles campuses. Please visit www.amda.edu for more information.

AMERICAN COLLEGIATE ADVENTURES PRE-COLLEGE PROGRAM The most personalized program you'll find, ACA features one of the lowest student-to-staff ratios of any pre-college program, so we can work with each student to create unique summer experiences. Enjoy great courses and activities, pursue a new passion, and perfect your sports skills. Do it all! Madison, Boston, Paris, Seville, Florence, Barcelona, London and Nice. Please visit <http://www.acasummer.com/> for more information.

AMERICAN UNIVERSITY COLLEGE PROGRAM: Community of Scholars Program at AU's School of International Service is an opportunity for academically outstanding high school students to take a 3-credit course that blends a week of online learning with two weeks of traditional on-campus classes. U.S. foreign policy and international conflict resolution. Discover the World of Communication is open to all high school students' grades 9 through 12, including those students entering 9th grade in the fall. Topics include Scriptwriting and Video Production, Professional Newswriting, Backpack Journalism, International Communication, Entertainment Communication, Investigative Journalism, Video Game Design, 16 mm film and many more. Activities, guest speakers, events, and field trips occur regularly throughout the summer. Please visit <http://www.american.edu/summer/college-for-high-school.cfm> for more information

ASSE INTERNATIONAL STUDENT EXCHANGE PROGRAMS SUMMER HOMESTAY, ADVENTURE AND

LANGUAGE PROGRAMS: If you're still undecided about making the commitment to spending a school year or semester abroad, ASSE's Summer Homestay or European Summer Language Programs offer the perfect solution. You'll get a firsthand experience with another country's culture and way of life, and you'll be able to improve your foreign language skills dramatically! (In some countries we can place you in a family where English is spoken as a second language.) You may choose from a list of countries for a short-term exchange experience during the months of July and August. Please visit www.asse.com for more information.

ASSUMPTION COLLEGE PRE-COLLEGE SUMMER PROGRAM: For more information please visit www.assumption.edu/admissions/pre-college-summer-program

BABSON COLLEGE SUMMER STUDY FOR HIGH SCHOOL STUDENTS: Babson's Summer Study provides a living/learning laboratory for students to focus on applying and advancing their knowledge in business and entrepreneurship. For more information please visit <http://www.babson.edu/admission/visiting-students/high-school/Pages/home.aspx>

BARD COLLEGE INSTITUTE FOR WRITING AND THINKING: Young writers workshop. Please visit www.writeingandthinking.org for more information.

BANK OF AMERICA: This is a paid internship and leadership summit held in Washington, D.C. Student must be a junior or senior with a passion for improving their community. Please visit www.bankofamerica.com/studentleaders for application.

BANSON NYC HIGH SCHOOL FASHION SUMMER CAMPS: The NYC Fashion Summer Camp allows students interested in fashion the opportunity to get a jump start on their career aspirations by determining if this is the direction they want to pursue. During the tour, they might meet a fashion designer in his/her studio, get an in-depth tour of one of the world's most recognized premium lifestyle brands, have a private tour of a premier specialty/department store before it opens to the public or visit a mega fabric store that is actively involved in the latest reality television programs like Project Runway. Please visit <http://www.bansonnyc.com/content.html?page=6> for more information.

BARNARD COLLEGE: Experience college life in NYC with young students from every corner of the world. This summer program is open to rising high school junior and senior girls. For more information, please visit, www.barnard.edu/summer

BARUCH SUMMER LEADERSHIP ACADEMY: The academy strives to bring together talented Ivy-Bound teens from around the globe to explore academia, college planning and plan for their future in NYC. For more information please visit www.baruch.edu/leadership

BERKELEY COLLEGE: Deadline: July 1. Berkeley offers workshops in Interior Design, Business Leadership, Fashion and Criminal Justice. These workshops are designed to give first-hand observations of actual careers and industry-specific knowledge to high school students. Summer Workshops heighten a student's career interests and teach essential professional behaviors and job skills. Students must be a junior or senior. Please visit www.BerkeleyCollege.edu/SummerWorkshop for more information.

BINGHAMTON UNIVERSITY: Deadline: Before May 1. Binghamton Summer College will be a two week program that provides early college experience for academically talented, rising high school juniors and seniors. Please visit <http://www.binghamton.edu/admissions/summer-college> for more information.

BOSTON COLLEGE: Boston College Experience Program - Throughout BCE's six-week program, students will earn credits in college-level courses from a variety of disciplines, experience life as a BC student and engage in activities in and around Boston and on BC's campus. For more information visit <http://www.bc.edu/schools/summer/bce/>

BOSTON UNIVERSITY: Boston University Summer Term invites you to check out four summer high school programs that challenge you intellectually and introduce you to college life. Each of our high school programs offers you the chance to learn and explore new subjects as you bond with other students through fun social activities on campus and around Boston. For more information visit www.bu.edu/summer/highschool

BRANDEIS: Brandeis offers residential summer experiences for exceptional high school students. Please visit <http://www.brandeis.edu/highschool> for more information.

BROADREACH SUMMER ADVENTURES FOR TEENAGERS: Students can study sea turtles in Costa Rica, earn multiple scuba and sailing certifications in the Caribbean, develop their Spanish skills while doing community service in Ecuador, learn Chinese while exploring the many wonders of China, or earn the Wilderness First Responder certification while volunteering Belize's public health system. This is just a taste of what is available. Visit www.gobroadreach.com or call 919-256-8200.

THE BRONFMAN YOUTH FELLOWSHIPS IN ISRAEL: Deadline: January 1. Each year a diverse group of 26 Jewish students receive an all-expenses paid, 5 week fellowship to Israel to study Jewish texts and major issues in Jewish life. Please visit www.bronfman.org for more information.

BROWN UNIVERSITY LEADERSHIP INSTITUTE: This program helps students make a positive difference in the world. Students develop the knowledge, skills and attitudes associated with effective and socially responsible leadership. College credit classes and more than 300 academic courses are offered in addition to online classes. Please visit www.brown.edu/summer for more information.

BRYANT UNIVERSITY PWC ACCOUNTING CAREERS LEADERSHIP INSTITUTE: is an exciting and educational week-long, hands-on opportunity for Latino/a and African American or Black high school juniors (rising seniors) to learn more about the accounting profession and about the key role accountants play in society. Throughout the program, students will work directly with Bryant University faculty, staff, and students, as well as professionals from PricewaterhouseCoopers (PwC). For more information please visit <http://www.bryant.edu/admissions/for-guidance-counselors/pwc-accounting-careers-leadership-institute.htm>.

BUCKNELL UNIVERSITY: Bucknell Academy Summer Experience. Please visit www.bucknell.edu/base for more information.

CALIFORNIA COLLEGE OF THE ARTS: www.cca.edu/precollege

CALIFORNIA STATE SUMMER SCHOOL FOR THE ARTS: Instruction is offered in Animation, Film/Video, Creative Writing, Dance, Music, Theater, and the Visual Arts. Please visit www.cssa.ca.gov

CARLETON LIBERAL ARTS EXPERIENCE: This is a week-long summer program for students who have completed their sophomore year. Students should be in the top 25% of their class and have involvement in their community. Please visit <https://apps.carleton.edu/summer> for more information.

CARNEGIE MELLON SUMMER PRE-COLLEGE PROGRAMS: Students can either explore architecture, art & design, drama, music or the National High School Game Academy to prepare for study at the college level. Through the Advanced Placement/Early Admission program, students can take two challenging college courses in order to gain advanced placement and get a head start in college. Please visit <http://www.cmu.edu/enrollment/pre-college/> for more information.

CATHOLIC UNIVERSITY OF AMERICA EXPERIENCES IN ARCHITECTURE: Each Summer, the School of Architecture and Planning conducts the Summer Institute for Architecture (SIA), featuring numerous undergraduate and graduate level courses. Among these are design studios and elective courses, including history of architecture, graphics, furniture design, theory, and computer-aided design/fabrication. For more information, visit the website at <http://www.cua.edu/admission/summer-sessions/index.html>.

CHEVERON FRONTIERS OF ENERGY RESOURCES SUMMER PROGRAM: The Frontiers of Energy Resources Summer Camp offers a preparatory, interactive training program focusing on various energy resources including fossil fuels, solar, biofuels, nuclear energy, and information technologies for energy efficient operations. This unique program is designed to introduce exceptional high school juniors to the opportunities and career possibilities available in the global energy resources industry. Please visit <http://cisoft.usc.edu/uscchevronsummercamp/> for more information.

CHRISTOPHER NEWPORT UNIVERSITY: CNU offers a two week Summer Humanities Institute on campus. This is a residential program. www.cnu.edu

COAP—CAREER OPPORTUNITIES IN THE ACCOUNTING PROFESSION: This program is a unique experience for underrepresented minorities to experience business and accounting professions on a college campus for a week in the summer. Students must be in their junior year when they apply. Please visit: www.nysscpa.org/futurecpas or call 1-800-NYSSCPA or email coap@nysscpa.org for more information.

THE COLLEGE OF NEW JERSEY: The College offers courses that offer students college credit taking classes for two week sessions. Please visit www.tcnj.edu/intersession for more information and program listing.

COLD SPRING HARBOR LABORATORY DNA LEARNING CENTER: Summer Science Camps Programs for students entering grade 6th-12th. Please visit www.dnalc.org for more information.

COLORADO STATE UNIVERSITY SUMMER STUDY IN COLORADO: Summer Study's Colorado State University pre-college summer programs ensure the outdoor, adventure, action-packed summer experience of your dreams. Amidst the majestic Rocky Mountains in a town dubbed "the Best of the New West," students enrolled in our Colorado State University pre-college program can expect an exciting and educationally rewarding summer. Please visit <http://www.summer.colostate.edu/k12-programs/> for more information.

COLUMBIA UNIVERSITY: This program offers students opportunities to study in New York City, Barcelona and the Middle East and is renowned for their academic rigor, instructional excellence, and the unique opportunity to provide highly motivated students to experience college life at a world-class university. Please visit www.ce.columbia.edu/hs for more information.

COLUMBIA UNIVERSITY ACADEMIC PROGRAM FOR ENGINEERS: This is an exciting new program for HS students to take STEM courses on Columbia's campus in two separate three-week sessions over the summer. Please visit <https://outreach.engineering.columbia.edu/content/shape-summer-high-school-academic-programengineers> for more information.

THE COOPER UNION SUMMER WRITING PROGRAM: A three-week course that prepares students for college level writing by giving them the critical writing and thinking tools they need. It's designed for students attending college in the fall or entering their senior year of high school. The course is offered in two formats: on-campus or online. Please visit <http://cooper.edu/academics/outreach-and-pre-college/summer-writing> for more information.

CORNELL UNIVERSITY: Cornell University's prestigious "Summer College Programs for High School Students," now more than fifty years old, offers three- and six-week academic programs for talented sophomores, juniors, and seniors from around the world. Please visit www.summercollege.cornell.edu or like on Facebook for more information.

DESALES UNIVERSITY: DeSales offers an opportunity open to students interested in exploring a career in television and film. Visit www.desales.edu/svi for more information.

DUKE UNIVERSITY: Visit summersession.duke.edu for more information.

EASTERN SUFFOLK BOCES: Summer career exploration program. For students entering grades 8, 9 and 10. Please visit www.esboces.org/aev for more information.

EDUCATION FIRST: Educational Tours - For 50 years we've helped teachers and students discover the world through culturally immersive educational travel. Through experiential learning they gain new perspectives, develop important 21st century skills and become true global citizens—all at the guaranteed lowest price. Visit <http://www.eftours.com/> for more information.

EMBRY-RIDDLE AERONAUTICAL UNIVERSITY: Registration opens in January. These programs offer opportunities to explore subject areas such as business basics, robotics & autonomous systems, aerospace studies, or flight training. Please visit <http://www.daytonabeach.erau.edu/summer> for more information.

EMERSON COLLEGE: This program has 5 week, 3 week, and one week sessions in the Arts and Communication field. Please visit emerson.edu/academic/pre-college for information on individual programs. The phone number is 617-824-8280 for more information.

EMORY UNIVERSITY: This program gives college-bound high school students an exciting glimpse of academic and residential life at a top-ranked national university. Students may enroll in classes with college students, earn transferable college credit, and explore topics with professors who are the leading experts in their fields. Students should be highly motivated and committed to engaging in college-level work during the summer. Apply online at www.precollege.emory.edu.

FARMINGDALE STATE COLLEGE: July-August. The college offers one week summer camps for middle and high school students to introduce students to careers in science, engineering, technology and sport refereeing. Please email Steve Campbell at engtech@farmingdale.edu for more information.

FASHION CAMP NYC: Fashion Forward - Are you between the ages of 12 and 18 with a passion for fashion? Learn from incredible big-name pros and celebs from Juicy, Coach, Marc Jacobs, and other fashion brands how to: jump-start a retail fashion career, develop your own fashion brand, write a fashion blog or become a fashion broadcaster, spot fashion trends, get into fashion marketing and public relations ...and much more. Visit <http://fashioncampnyc.com/> for more information.
