Dear Port Jefferson Middle School student-athletes and families,

The Port Jefferson School District has been closely monitoring the evolving situation with COVID-19 (Coronavirus) and evaluating best practices for our students. In order to minimize the risk of exposure or spreading of any germs or bacteria, the Port Jefferson School District has made the difficult decision to cancel the remaining late winter (girls basketball, wrestling) middle school contests.

At this time, there are no reported cases of the virus connected to the Port Jefferson School District. This decision has been made as a preventive measure for our students, staff and families. Coach Sinclair (wrestling) and Coach Provenzano (girls basketball) will be holding a few more days of practices and meetings to wrap up the season in an organized manner. The coaches will reach out to you shortly with their specific practice and meeting plans.

We appreciate all of the understanding and cooperation exhibited by our coaches, staff, students and families. Please contact the athletic office with any questions.

Thank you,

Adam Sherrard
