Dear Port Jefferson Families and Staff,

Last night at the Board of Education meeting, we publically reviewed our COVID-19 response plans. This presentation is available to view on our Board of Education livestream and is posted to the website under Health Services.

In addition to these measures, the District is suspending use of facilities by outside groups to allow our staff adequate time to clean our buildings nightly and minimize our exposure. We are also postponing nonessential events, which include outside visitors. This will be reevaluated at our next Board Work Session scheduled for March 24th.

Athletic events and District sponsored events such as PTA meetings and Board meetings will continue as scheduled.

We will continue to work with our local health officials, our employees and our families to stay ahead of this matter. We appreciate your continued cooperation.

Sincerely,

A handwritten signature in cursive script that reads "Jessica Schmettan".
