

7. I understand that my completion and submission of this Affidavit is just one part of the employment application process. I further understand that, even if the results of any fingerprint check confirm my representations contained in this Affidavit, the District has no obligation to employ me. Finally, I certify that my statement in this Affidavit and in any explanatory enclosures are, to the best of my knowledge and belief, true and correct, and that any omission and/or misstatement of any material fact(s) may be cause for the District: a) refuse to hire me; b) revoke any offer of conditional employment; and/or c) terminate me if I have been hired.
