

WELCOME BACK!

DEAR PARENTS,

The beginning of the school year is approaching and we would like to extend a warm welcome to let you know that Whitsons School Nutrition has exciting plans for the school meal program. Our goal is to serve nutritious, well-balanced meals that appeal to students and the school community. We are pleased to provide a comprehensive school dining program at Port Jefferson School District that meets the National School Lunch and Breakfast Program requirements and engages students in developing a positive "Fooditude".

At Whitsons we have gone back to a time when good food was simple. As part of our Simply Rooted® Food Philosophy we are focused on using ingredients that are locally sourced, all-natural, organic or non-GMO, and minimally processed, whenever possible. We've gone back to our roots and we would like the entire Port Jefferson School District school community to join us on this journey. Some new items that may appear on menus include: waffles, organic veggie burgers, whole grain pasta with organic tomato sauce, organic applesauce and pineapple spears, and a variety of fresh fruit side dishes, just to name a few.

Here is some general information that will be helpful to begin the new school year:

MEAL PRICES:

| | Breakfast | Lunch |
|---------|-----------|--------|
| Paid | \$3.35 | \$3.15 |
| Reduced | \$0.00 | \$0.00 |
| Adult | \$5.00 | \$5.00 |

Low-fat milk is available with all meals. All 8 oz. cartons are \$.60

Whitsons will be introducing a **Meatless Monday** program to your K-12 school cafeterias. Because student interest and enthusiasm for vegetarian and vegan options continues to surge, you'll find that a **Meatless Monday** menu is simple and cost effective to implement and will be sure to interest your student customers.

All Day Everyday-Breakfast

Let's face it, in the High School many of our lunch periods begin very early in the day, probably when some students are only starting to think about breakfast. So we have added our traditional hot-cold breakfast meals to our lunch service each and every day!

WELCOME BACK!

FOODITUDE:

Our interactive healthy eating program, called Fooditude, motivates and inspires students to consider the many benefits healthy eating and exercise have on their growing bodies and minds. With Fooditude, we are embarking on a movement to help students develop positive self-esteem and healthy eating habits by making a connection between attitudes and living healthy. It's all about making the connection between food and healthy habits.

At elementary schools, our award-winning Nutrition Safari® program will introduce younger students to lovable animal characters to teach them about selecting healthy choices from each different food group for a well-balanced diet. The program's mission is to increase participation in the National School Lunch Program and encourage students to develop lifelong healthy eating habits.

At secondary schools, monthly Fooditude Flaves will feature trendy menu items and activities to engage older students. Whitsons has also invested in professional signage and merchandising that creates a food court-style environment. It's like going out to lunch without ever leaving the building. Our goal is to entice students to make nutritious and delicious meal choices.
