WHY A TEDDY BEAR

Our hospital emergency rooms & our ambulance crews started giving children a stuffed animal to hold on to so they wouldn't have as much fear when facing an injury or illness.

Unfortunately, there are many children in our community who encounter life situations that, although a teddy bear can't fix, might give them a trusted companion to gain some comfort.

Red Knights Motorcycle Club NY Ch. 26 and the Time to Play Foundation, in collaboration with LaLa's Flea Market, JVC Broadcasting, Our Place Newspapers, LI Special Olympics and other partners have set a goal to collect 7,186 stuffed animals - one for each child who receives toys through the Interface Program, to give them comfort during hard times.
