Program Description:

Our instructor Erica is a 2x World Champion & was featured in Disney's "Jump In." Now she wants to bring the joy of **Double Dutch** to all children at the Port Jefferson Village Center. Double Dutch is one of the fastest growing sports in the nation. It is a variation of the traditional game of jump rope. **Double Dutch** provides many benefits-building of coordination, body strength and stamina. Girls and boys learn how to work together while they compete with one another. Children acquire a sense of belonging, self-discipline and self-confidence. All children will gain these things while having fun & playing games. As they gain experience they will learn tricks and routines. Erica encourages everyone to try! **No jump rope experience necessary!**
