

Dear Port Jefferson Families,

The Port Jefferson High School Senior Prom has traditionally been a gift to the graduating students by their parents. The prom has been held at the high school for the past sixty-two years. The theme is selected and the high school is transformed to reflect that theme. This is a different year with the COVID-19 pandemic, and we are determined to give our students a beautiful prom. Since we may be limited in what we may be able to do, we need to focus on fundraising from within. We are relying on our senior families and our school community to help with financial support for this incredible and memorable event.

While we will be conducting multiple virtual fundraisers to participate in throughout the year, we ask that you consider making a monetary donation to the prom. Any amount that you are comfortable with donating would be greatly appreciated. Donations be shared via check or the link below with a quick click of some buttons.

We will also offer sponsorship opportunities. (May be anonymous if you so choose.)
