Re: *Special Charter Meeting to Vote in the Port Jefferson SEPTA*

Dear Dr. Casciano and Ms. Cahill:

We would like to invite you to be a part of the Port Jefferson Special Education Parent Teacher Association. We are a district wide Special Education PTA whose goal is to advocate and promote special education for our children and also support one another as parents of special needs children. We aim to provide parents and teachers the ability to obtain information, discuss issues, and improve academic and social experiences for all of our children. We hope to join together all families throughout the district that are interested in the quality of education for children with special needs. It is our hope that you will join and be an active member in our SEPTA organization.

Please mark your calendars and join us for our SEPTA charter meeting on **March 26, 2018 at 7:30 pm, in the High School Library**. To provide you with the information you need about this proposal, we have arranged for members of the Suffolk Region PTA to present at that meeting and help us establish this new charter.

Please join us at this special meeting to help us move forward on this important initiative.

Thank you!
