February 2018

Dear Port Jefferson Community,

On Saturday, April 28th, the Royal Educational Foundation will be hosting the Fifth Annual Power of One Family Fun Run. This event is designed to encourage physical activity and it is intended to celebrate the positive influence we can have on one another within our families and community.

As part of the event, the Foundation will be presenting a member of the Port Jefferson community with the “Power of One” award. The award’s inscription reads,

“The little things you do each day have the power to affect a great many people. You inspire us with your willingness and ability to help others. You take on the world, one day at a time, continuously searching for a way to make things better, seizing the opportunity to improve everyday life. You make a world of a difference!”

If you would like to nominate a member of the Port Jefferson community who you feel personifies the spirit of this award, please email the nominee’s name and a brief supporting statement of why you feel he/she is deserving of this honor. Please include your contact information in case the Board of Trustees needs any additional information. We welcome the resubmission of previous nominations of individuals who were not selected for the Power of One award in the past. Nominations will be accepted through Monday, March 9th, 2018. The Award recipient will be announced on informational flyers for the Fun Run and will be presented with the Award before the start of the Run on the morning of the 28th.

On behalf of the Royal Educational Foundation Board of Trustees, we thank you for your time and for all you do to make a difference for our children. Hope to see you at the run on the morning of April 28th!

Sincerely,

Scott Zamek, REF Chair and Laura Zimmerman, Event Chair
