# Rhythm Kids®

by Music Together®

*Lev 1 - 4 to 5 yrs  
Lev 2 - 5 to 8 yrs*

In Rhythm Kids® classes, students explore rhythm by playing with music from around the world. Music Together-trained teachers lead dynamic classroom activities designed especially for four-year-olds and early elementary students, and the discovery continues at home with the interactive Rhythm Kids videos, easily viewable on our app.

As they drum, sing, and move to new rhythms, children naturally build musicality that helps them prepare for formal music lessons. Opportunities to solo, work in ensembles, and improvise support social and listening skills, self-expression, and self-confidence. Save a spot for your big kid today!
