

# Save the Sea Turtles

*It's a walk on the beach!*

## Sea Turtle Seminar

**10 a.m. October 14<sup>th</sup>**

### **Cedar Beach Marine Environmental Stewardship Center**

The *Atlantic Marine Conservation Society* will conduct this workshop about marine conservation and the importance of saving cold stunned sea turtles. As the water temperature decreases, a turtle's metabolism slows down, and they end up on our shoreline unable to swim. Attendees will learn the necessary steps to rescue these stranded and endangered creatures.

**This is an educational program and attendees are not obligated to join the cold stunned turtle watch program.**

## Volunteer Watch Group

**October 28<sup>th</sup>**

**10a.m. at West Meadow Beach Pavilion**

**1p.m. at Cedar Beach Marine Environmental Stewardship Center**

We ask that all volunteers come to the training seminar and this first day of monitoring. Participants can sign up to monitor the beach during designated shifts. If you are unable to attend training, but would still like to volunteer, please let us know at the e-mail below.

To register e-mail [npocchiare@brookhavenny.gov](mailto:npocchiare@brookhavenny.gov)

Registration is **FREE** but required.

All children must be accompanied by a parent or guardian.

Please provide your name, phone number, and number of people planning to attend.

Registrants will be contacted if cancellation due to inclement weather.
