

FIFTH GRADE END OF THE YEAR SLIDE SHOW

Dear Parents,

Hello! We are writing to you to start preparing for the end of the year 5th Grade moving up ceremony slide show, featuring our children. It's so exciting for our children to have so many fun events to look forward to in their final year at Edna Louise Spear Elementary. It is this committee's privilege to compile, organize and create a special slide show that memorializes our fifth grader's years at Scraggy.

Here is what the committee would like from you:

6 (six) photos sent digitally that span your child's years at ELS Elementary School. Broken down in the following way.

- 1 (one) baby photo
 - 1 (one) photo from either Pre K or Kindergarten
 - 1 (one) photo that captures your child's favorite elementary school moment
- AND
- 3 (three) school related group photos from any school year

Please send to: cdonarummo@mccsd.net

All photos are due by **May 14th** and welcome any time sooner (sooner the better) to insure that the slide show is complete and balanced for each child. If you have any questions, please let us know.

Thank you for participating!

Fifth Grade Slide Show Committee,

Tracy Kurtz

Emily Argues
