Why a Special Education PTA?

Port Jefferson SEPTA is a **district-wide Special Education PTA** whose goal is to **advocate** and promote special education for our children and also support one another as parents of special needs children. We aim to provide parents and teachers the ability to obtain information, discuss issues, improve academic and social experiences for all our children. We hope to join together all the families throughout the district that are interested in the quality of education for children with special needs.

Who Can Join?

Anyone and everyone who wants to see progress for special needs children. Parents, teachers, professionals, administrators, community members and even special needs students themselves – who we encourage to advocate for themselves – are all invited to join us.

We Need Your Support

In order for us to be an official SEPTA we need to have a minimum of **25 paid SEPTA members IN ATTENDANCE at this meeting**. So please, save the date and make every effort to attend. **SEPTA annual membership dues are \$12 per person**. You can print membership forms off of our *website* under the tab 'membership' we will also have forms available at the meeting.
