Dear Edna Louise Spear Families,

Welcome back to another school year! We have had a successful first few days of school, and students are already learning so much! Now that we are back in session, we would like to welcome you to our upcoming Back-to-School Nights that will be held on Wednesday, September 17 and Thursday, September 18.

First, we would like to invite parents and guardians to meet with us in the gymnasium to officially welcome you back to a new school year. You are welcome to visit special area and support staff classrooms beginning at 6:45 P.M. Directly following, your children's classroom teachers will host their Back-to-School meetings in their classrooms. Please move about quickly, so you do not miss any of your classroom teacher's information! We also ask that you leave children home, as the classrooms can become quite crowded with adults.
