

MEET THE TEACHER

WELCOME TO OUR PRE-K FAMILY

Hello Pre-K Families! I am so pleased to welcome you to the 2026-2027 school year! My name is Susan Giglio and I have been an elementary school teacher for 26 years. Pre-Kindergarten is my favorite grade!!! Pre-Kindergarten is such a fun year filled with so many wonderful learning activities to celebrate. I have two boys Aidan, who is 24 years old and just graduated Suny Old Westbury and Griffin who is 20 and is attending Suny Purchase. I enjoy reading and the beach. I had a fabulous summer and I hope you did too! I can't wait to hear all about it! Please bring in a picture of your favorite summer memory to share on the 1st day of Pre-K. I look forward to meeting you at our Meet the Teacher Event on Tuesday, September 1st at 1 o'clock. Please feel free to bring in your child's supplies at that time. I look forward to a wonderful year together!
