

WELCOME TO 4th Grade

Dear Fourth Graders and Families,

I hope you're having a wonderful summer filled with fun, relaxation, and special memories! It's hard to believe that August is already here and we'll be back at school in just a few short weeks. I'm so excited to begin our year together and have been planning engaging activities, meaningful projects, and exciting learning experiences that will help us grow as learners and as a classroom community.

Please bring one fiction chapter book that you are currently reading or would like to begin reading. This will be your independent reading book for the first week or two of school.

Also, on an index card, please write your name and two goals you would like to achieve this school year. You may want to discuss your goals with a parent or family member before writing them down. During our first week together, we will share our goals and develop strategies for achieving them. Your goals can be academic or anything else that is important to you!

For your convenience, a school supply list is included. Please have your supplies ready by the first day of school. If purchasing any of the items presents a challenge, please let me know—I'm happy to help. To help lighten the weight of backpacks, please do not bring your Chromebook on the first day of school.

Students are welcome to bring a healthy snack each day. Please avoid candy or snacks that leave colored residue on fingers, such as Doritos or Takis. Those items can be enjoyed during lunch instead.

If you have any questions or would like to share anything that will help me get to know your child, please feel free to email me at plohmann@portjeffschools.org.

I can't wait to meet everyone, make wonderful memories together, and begin an exciting fourth-grade adventure. Enjoy the rest of your summer—I'll see you soon!

Best,

Mrs. Lehmann
