

Dear Fifth Grader,

Hello and welcome back to school! I am so excited to be your fifth grade teacher! It is going to be a fun and exciting year! We are going to study amazing and interesting topics in fifth grade. I am eagerly waiting for the first day of school to meet all of you!

Attached to this letter is our supply list. Nothing is better than getting new school supplies! If you have any trouble getting any supplies please let me know as soon as possible. I hope you have a fabulous rest of your summer. I know I will be spending as much time at the beach as I can. I promise you, we are going to have a fun and fabulous fifth grade year together!
