SCHEDULING FOR THE 2025-2026 SCHOOL YEAR

Presented By:
Robert Neidig, Assistant Superintendent for Curriculum and Instruction

SCHEDULING PROCESS

- Scheduling Meetings
 - Sectioning Meetings/Staffing Meetings
 - Winter/Spring
 - I work with Principals and Department Directors on the sectioning/staffing of courses PreK-12
 - The goal of the sessions is to analyze student scheduling requests and class sizes to identify a scheduling scenario that both maximizes learning opportunities and is fiscally responsible
 - At the secondary level, students meet with Guidance Counselors to discuss the courses running and make changes to course selections if necessary
- Decisions Guided By Data
 - Based on enrollment/student interests, a reduction of 4.3 Full Time Equivalent (FTE) Teachers was identified
 - Fractions of teachers across departments at the MS/HS Level
 - Potential reduction of 2 teachers at the Elementary School Level based on enrollment
- We continue to monitor enrollment and receive information from CSE Meetings
