NVA Participating Eye Care Professional Directory

SHELTERPOINT

2

This directory is sorted by City and then by Eye Care Professional name. Simply locate your City and then contact any listed Eye Care Professional in your area. Inform the Participating Eye Care Professional that you have Vision Care Benefits available from NVA. They will then call us to verify your coverage. You should also present your NVA Identification card when you arrive for your appointment.

If you obtain services and/or materials from Non-Participating Eye Care Professionals, you must pay the Eye Care Professional in full and submit your receipt to NVA in order to receive a reimbursement according to your plan's reimbursement schedule.

PLEASE NOTE: The eye care professional information listed was current at the time of printing and is subject to change without notice. Before making an appointment and/or ordering eyewear, please confirm with the eye care professional that they are still affiliated with NVA. Some eye care professionals may provide examinations only or materials only – please be sure to call your selected eye care professional to verify which services are available. The following network listing includes limited Pearle Vision store locations (list available upon request). For up to date eye care professional information, please visit us on the web at www.e-nva.com.
