

EDNA LOUISE SPEAR

ELEMENTARY

SCHOOL CLUBS

All clubs are on the day listed below during these times:

MORNING CLUBS:

8:10–8:50 AM

AFTERNOON CLUBS:

3:35–4:15 PM

STUDENT GOVERNMENT

3rd, 4th, & 5th grade

Students are elected by their peers to represent student interests in our Student Government. Class representatives meet and work with faculty advisors to lead fundraising campaigns that support local charities and community organizations.

LEGO CLUB

2nd & 3rd grade

LEGO Club is based on the FIRST LEGO League program. It is designed to incorporate the four principles of STEM (Science, Technology, Engineering, and Mathematics). Come build, create, and problem solve!

SCIENCE CLUB

3rd grade

Students are invited to join and explore the wonderful world of science! Science Club provides more hands-on opportunities to explore fun, safe, and exciting scientific experiments outside of and separate from the classroom experience.

ART CLUB

5th grade

Art Club provides support and enrichment for students seeking a creative outlet. Our students have unique ideas and powerful imaginations. This club will grant them the opportunity and space to work through their artistic expression in a safe environment.

CHESS/SCRABBLE CLUB

3rd, 4th, & 5th grade

Chess & Scrabble Club is a chance to engage your mind in the art of strategic thinking! Students in grades 3, 4, and 5 are welcome to join us as we hone our skills in these two challenging activities.

GREENHOUSE CLUB

3rd, 4th, & 5th grade

Greenhouse Club is a chance for students who have a green thumb (or even those who wish they did!) to come and enjoy planting, growing, and harvesting their own plants. Students sell what they grow in order to raise money for future crops.

INTRAMURALS

3rd, 4th, & 5th grade

Intramurals is an after school activity where participants play a variety of team games. These activities promote leadership, cooperation and communication through recreational sports.

YEARBOOK CLUB

5th grade

This club is open to our 5th grade students who enjoy photography and design layout. Students meet with their advisor and work together to create an artifact of their last year of elementary school.

HELPING HANDS CLUB

2nd & 3rd grade

We complete projects to help people, animals, and the world around us—such as residents in a nursing home, veterans, children in a local hospital, animals in shelters, nature, and more!

All clubs are subject to change based on enrollment and availability.
