Dear Parent/Guardian:

Attached are links to important information regarding end-of-year procedures, timelines, and schedules for the high school. Please review the material in this mailing and go over it with your child to ensure their attendance at all required finals and Regents exams.

The last day of regular classes at the high school is Friday, June 12. Final examinations will be administered both in class and on stand alone testing days. Individual subject area teachers will inform students of the date and time, and the room assignments for each final exam. Regents exams, designated finals exams, and transportation information can be found using the links below. Senior Day will be Monday, June 12.

All New York State Regents examinations will be administered on June 9, June 10 and June 17 through June 25, in both morning and afternoon testing sessions. Tests will begin promptly and students should plan on arriving by 7:45 a.m. for the morning sessions and 11:45 a.m. for the afternoon sessions. Only students who are taking a Regents examination are required to be in school during these days. If your child is scheduled for a Regents examination, please be certain that they are aware of the date, time, and room of the examination. Regents examinations must be taken at the scheduled time (not all Regents exams are offered during the New York State summer testing schedule).

The last day of school for students is Friday, June 26. Please be advised that only those students who need to complete the following tasks should attend school:

- Students who are returning school textbooks, library books and/or uniforms and equipment
- Students requiring information about summer school
- Students who need to pay their lunch balance_

Please note that report cards will be posted to the Parent Portal on Monday, June 29, 2026.

Seniors are reminded that the PTSA will be hosting a “Senior Breakfast” in the cafeteria on Friday, June 26 at 9:30 am. Immediately following the breakfast there will be a mandatory graduation rehearsal at 10:00 am. All seniors must attend this rehearsal. Graduation will take place on Friday evening, June 26, 2026 at 6:00 p.m. Seniors must report to the gymnasium by 5:00 p.m. to prepare for the graduation procession.

Our students have worked diligently throughout the year and we are confident their continued efforts will result in many successes as they conclude the school year. Congratulations to our seniors; we look forward to hearing of their accomplishments in the coming year. On behalf of the faculty and staff, we would like to thank you for your cooperation and support and wish you a safe and restful summer.

Respectfully,

John Ruggero
