PASSPORT TO THE PAST

Bringing History to Life Through Hands-On Activities

Drop In **Tuesday, February 17th**

MID-WINTER RECESS

Butter STEM Activity
Edible Science!

Churning Butter introduces children ages 7-10 to colonial-era cooking through a hands-on experience, showing them how butter was traditionally made using a churn and jar.

During this workshop, children will also:

- Wear historical costumes
- Play with colonial toys
- Tour museum exhibits
- Handle real artifacts typically kept behind glass

Pricing per child:

\$10 Members

\$12 Non-Members

When: Tuesday, February 17th
10:00 a.m. - 12:00 p.m.

Where: Three Village Historical Society + Museum
93 North Country Road, East Setauket, NY
